Subject: Educational Master Plan Campus Forums
Date: Thursday, November 09, 2017 12:00:18 PM

Sent on behalf of Mike McCandless

You are invited to the Educational Master Plan Campus Forums:

- Merced Campus: Thursday, November 16, 2017, 1:30 – 3:00 pm, Leshner 111
- Los Banos Campus: Friday, November 17, 2017, 9:00 – 10:30 am, A-103

The purpose of these forums is to share results of the Educational Master Plan Discovery Phase to date, and solicit input from anyone in attendance. At each forum highlights will be presented of the All-Campus Survey (Students and Staff), the internal environmental scan, and the external environmental scan. Attendees will be invited to share input for the Educational Master Plan (EMP), and ask questions about the presentations during the forums.

Additionally, newly posted to the EMP web page are the November 1st Project Update, and presentations made to the EMP Task Force regarding survey results and the Internal Scan. You can access the EMP web page via the following link:
