Congratulations sir...

I just talked to Dr. Barton who chaired the selection Committee for the CO IEPI SEM Academy – and she said that we have selected for the initiative. They have an error in VP Ellison's email so that's why we did not get the notification. I gave them his correct email address.

Dr. Barton said 34 colleges applied and 15 including us were selected. She said we need to complete the application process by April 27<sup>th</sup> or it will be given to other colleges on the waiting list.

Thanks,

Baba...
