

# MERCED COMMUNITY COLLEGE DISTRICT WIRELESS INTERNET LOCATIONS

Students, staff & faculty are welcome to connect personal devices to the campus wireless network by logging on with Merced College credentials. Simply open the wireless network settings on your mobile device and look for SSID: "mccd-wifi."

**Example:**

"Joe Student" would log on to the "mccd-wifi" using his Merced College username and password

**Important Notes:**

In order to connect to the Wi-Fi, you may need to make sure the following authentication protocol is set:

1. EAP-PEAP (MSCHAPv2)
2. Do not validate security certificate.
3. The username and the password are the same as your MC Portal (without @campus.mccd.edu)
4. If you are a guest, username: Guestwifi; password: MCCDi#1

If you are an employee of the district using a district-managed mobile device, please connect to SSID: "mccd-secure."
